Please **Clearly indicate** those Players to be sent forward for All-State voting with an **asterisk**.

If there is a tie and a co-player or pitcher of the year your conference can only send one name forward. You must choose which name takes the automatic All-State spot (Player/Pitcher of the year). The same applies to a tie with coach of the year only one name may go forward.

*** We have co-Players of the Year. Tayana is moving fr and Mickey will need to be voted in.**
